WE ARE OPENING AGAIN
on
MONDAY 7TH SEPTEMBER 2020

I hope this notice finds you safe and well.

I know the village shop and post office has been closed for a long time and it has been difficult to shop outside the village but we hope that you will come back to buying from us and also using the post office. All our usual services will be available but unfortunately we cannot for the time being open in the afternoon (through lack of volunteers to work in the shop). Rest assured though that the shop will continue to be open 7am to 12.30pm Monday to Saturday each week and until 10.30am on Sunday. The Post Office too will be open Monday to Friday at the same time except for *Wednesday* when it will open half an hour later at 9.00am.

We have been very busy getting all the necessary equipment for social distancing in place to protect both our customers and volunteers from contracting the covid-19 virus so it will be very safe for you to come to the shop but *please wear a mask*. We have a system that only allows two people in the premises at one time so please read the instructions on the outside of the shop before you enter.

The shop has been redesigned to give us more shelf space and therefore we will be able to sell more products. The Post Office counter will remain where it was but the shop counter has been moved to the entrance door. This will enable us to plan social distancing much better for everyone's safety. You can now pay by card either in shop or by telephone and we encourage you to do so whenever you can.

We will begin to deliver newspapers/magazines again from **Sunday 13th September** so please contact us if you want to order or renew your delivery. We will also be selling our Artisan bread again - and again you need to order your bread to be sure to get what you want.

Looking forward to seeing you in the shop again soon .

Very Best Wishes
